*= honey sweetened =*

Honey sweetened chocolate is a tasty and healthy alternative to regular chocolate. It's hand-crafted from completely natural ingredients and contains no refined sugar or additives – only cocoa mass, cocoa butter and unprocessed honey.

Depending on flavour, it's blended with nuts, berries, bourbon vanilla or natural spices.

## 100% NATURAL INGREDIENTS

## ABOUT US

Our enterprise was founded in 2013 in the village Gagarinskaya Novoselka in the Yaroslavl region of Russia as a part of a charity project providing jobs for people with disabilities and promoting the principles of sustainable production.

Today we are the main producer of honey sweetened chocolate in Russia working with over 1000 sales partners in Russia and abroad.

We strive to use environment-friendly materials and technologies. Furthermore we work closely with traditional family beekeepers helping to maintain and develop sustainable honey production in Russia.
